Current Projects

Includes 17 active projects in the areas of:

- Economic Development
- Urban Design and Redevelopment
- Transportation/Land Use Planning
- Emergency Preparedness
- Energy Planning
Seven50 SE Florida Prosperity Plan

Summary:
• Comprehensive planning effort to create jobs and improve quality of life in the Region
• Joint effort of SFRPC, TCRPC, and Partnership including over 200 public, private, and nonprofit/civic organizations
• Grant from the U.S. Departments of Housing and Urban Development
• Plan will be used to prioritize and focus future local, state and federal investment and policies

Planning Area: Seven-county area within South Florida and Treasure Coast Regions

Schedule: October 2010 – February 2014
Statewide Energy Resiliency Strategy

Summary:
The project:
- involves running economic impact scenarios on the effects of diversifying our energy portfolio
- examines ways to become less reliant on imported oil
- develops strategies to improve energy resiliency and create domestic energy jobs

Planning Area: Four-county area within the Treasure Coast Region

Schedule: December 2011 - February 2013
Treasure Coast Brownfields Program

Summary:
- Council received a $1,000,000 Brownfields Coalition Assessment Grant from the EPA
- Grant partners include: TCRPC, Palm Beach County, City of West Palm Beach, and City of Fort Pierce
- Provides for environmental assessments at brownfield sites potentially contaminated with hazardous substances and petroleum

Planning Area: Four-county area within the Treasure Coast Region

Schedule: October 2011 – September 2014
Florida Transit-Oriented Development (TOD) Guidebook

Summary:
• Collaborative effort with FDOT to develop a state guidebook to help Florida communities advance TOD opportunities
• Creates an online database, model land use policies, and code
• Provides resources for local governments across the state

Planning Area: Statewide

Schedule: March 2010 - December 2012
Broward Boulevard Gateway Implementation Master Plan

Summary:

• Master plan for:
  ▪ coordinating transit projects
  ▪ improving the pedestrian environment
  ▪ illustrating potential redevelopment scenarios
  ▪ analyzing physical and policy impediments to redevelopment

• Multi-Agency effort with emphasis on public involvement

Planning Area: Broward Boulevard into Downtown Fort Lauderdale

Schedule: February 2012 – December 2012
Riviera Beach – Broadway Corridor Master Plan

Summary:

• Master plan to produce a detailed redevelopment plan for Broadway, Avenue E, and the Marine District North in Riviera Beach

• Council is working with the City of Riviera Beach and the Riviera Beach CRA.

• A collaborative effort with marine industries and property owners.

Planning Area: City of Riviera Beach

Schedule: September 2012 – April 2013
Regional Greenways and Trails Plan

Summary:

• Develops a comprehensive plan of greenways, trails, bicycle facilities, saltwater/freshwater paddling trails
• Integrates locations of park/recreational facilities, conservation areas, sites for eco-tourism and heritage tourism
• Identifies linkages to the north, west, and south into other counties
• Designed to be integrated into the plans of the MPOs, local governments, and the Seven50 Plan

Planning Area: Seven-county area within South Florida and Treasure Coast Regions

Schedule: June 2010 – December 2012
Transportation, Land Use and Planning Assistance Program

• Land Use/Planning Assistance to Palm Beach MPO
• Evaluation of Passenger Rail Programs in SE Florida
• Continuing Assistance to South Florida Regional Transportation Authority
• South Florida East Coast Corridor Study

SOUTHEAST FLORIDA PASSENGER RAIL EVALUATION
Prepared by TCRPC & Kittelson
Prepared for the RTTAC/SEFTC
July 11, 2012

Findings and Recommendations
Emergency Preparedness Program

- County Post-Disaster Redevelopment Plans for Indian River and St. Lucie Counties
- Chemical Facility Hazards Analyses for St. Lucie County
- Regional Hazardous Materials Commodity Flow Study
- Functional Needs Support Services Strategy for Martin County
