

TREASURE COAST REGIONAL PLANNING COUNCIL

MEMORANDUM

To: Council Members

AGENDA ITEM 6

From: Staff

Date: February 17, 2017 Council Meeting

Subject: Council Member Update

Introduction

The purpose of this agenda item is to give Council members an opportunity to provide a brief update on planning activities, issues of concern, and accomplishments in their local areas. The exchange of information is intended to: 1) allow members to learn and gain understanding from each other's experiences; and 2) help identify opportunities for working together on projects or legislative matters across the region. In addition to sharing information between counties and municipalities, the Council member updates will give the various legislative aides and representatives in attendance at Council meetings a snapshot of activities in the region from various perspectives. Council members are encouraged to provide a brief update at the meeting.

Recommendation

For information only.
