TREASURE COAST
REGIONAL PLANNING COUNCIL

Dear Mr. Busha,

I understand that you, Marcela, and the City of Fort Pierce staff, at a meeting on Tuesday, August 22, 2006, discussed the possibility of holding a charrette for the Taylor Creek area. I understand that this planning activity is proposed as a joint project between the City of Fort Pierce and St. Lucie County. I have spoken with Kara Wood of the Ft. Pierce Planning Department regarding our participation. St. Lucie County, and specifically the Growth Management Department, is very interested in participating and in pursuing the opportunity this project provides.

Please consider this as a letter of commitment from St Lucie County to participate in this charrette. Please advise me when you are ready to move forward with the activity.

Sincerely,

Bob Nix
