

Going on Green in 2035

Regional Long Range Transportation Plan

The Martin Metropolitan Planning Organization (MPO) will be hosting a regional land-use and transportation Workshop to kick-off the Martin-St. Lucie Counties Regional Long Range Transportation Plan update for 2035. The Treasure Coast Regional Planning Council will lead a discussion of topics such as the Transportation-Land Use connection, future growth scenarios, and transportation and economic development. The workshop will be held on Saturday, September 26th, 9:30 am – 4:00 pm at the Blake Public Library, Armstrong Wing, Stuart. Morning refreshments and lunch will be served.

Your cooperation in the update process is appreciated. Please keep in mind that the MPO will be hosting several workshops at various locations in the county as the Regional Long Range Transportation Plan evolves.

The MPO Needs Your Input!
Please attend the workshop on September 26. Breakfast and lunch will be provided. Visit the website for more information. An on-line survey will soon be available. See you there!

This important planning effort is being sponsored by the:

How will future passenger rail on the FEC influence growth and mobility in Martin County?

PUBLIC WORKSHOP

Saturday, September 26, 2009

9:30am to 4:00pm

Blake Public Library

John F. Armstrong Wing

2351 Southeast Monterey Road, Stuart

Public invited to provide input and be part of defining future growth in Martin County.

Long range mobility in Martin County will require all modes of transportation
