 733 traffic due to implementation of passenger rail.

734 2. In coordination with the affected local governments and
 735 CSX Transportation, Inc., finalize all viable alternatives from
 736 the department's Rail Traffic Evaluation Study to identify and

 749 elements of the Tampa Bay Area Regional Authority Master Plan,
 750 the Metroplan Orlando Regional Transit System Concept Plan,
 751 including the SunRail project, and the Florida Department of
 752 Transportation Alternate Rail Traffic Evaluation.

753 (4) As part of the work program of the department,

768 performance.

769 (8) Conduct, at a minimum, inspections of track and
770 rolling stock; train signals and related equipment; hazardous
771 materials transportation, including the loading, unloading, and

777 (9) Assess penalties, in accordance with the applicable
778 federal regulations, for the failure to adhere to the state
779 standards.

786 department including participation in the cost of the programs.

787 (11) Coordinate and facilitate the relocation of railroads
788 from congested urban areas to nonurban areas when relocation has
789 been determined feasible and desirable from the standpoint of
790 safety, operational efficiency, and economics.

791 (12) Implement a program of branch line continuance
792 projects when an analysis of the industrial and economic
793 potential of the line indicates that public involvement is
794 required to preserve essential rail service and facilities.

795 (13) Provide new rail service and equipment when:

796 (a) Pursuant to the transportation planning process, a
797 public need has been determined to exist;

798 (b) The cost of providing such service does not exceed the

807 to provide new rail services; or the department may provide such
808 service by contracts with privately owned service providers.

809 (14) Furnish required emergency rail transportation
810 service if no other private or public rail transportation
811 operation is available to supply the required service and such

 825 corridor, have the authority to:

826 (a) Assume the obligation by contract to forever protect,
 827 defend, indemnify, and hold harmless the freight rail operator,
 828 or its successors, from whom the department has acquired a real
 829 property interest in the rail corridor, and that freight rail
 830 operator's officers, agents, and employees, from and against any
 831 liability, cost, and expense, including, but not limited to,
 832 commuter rail passengers and rail corridor invitees in the rail
 833 corridor, regardless of whether the loss, damage, destruction,
 834 injury, or death giving rise to any such liability, cost, or
 835 expense is caused in whole or in part, and to whatever nature or
 836 degree, by the fault, failure, negligence, misconduct,
 837 nonfeasance, or misfeasance of such freight rail operator, its
 838 successors, or its officers, agents, and employees, or any other
 839 person or persons whomsoever, provided that such assumption of
 840 liability of the department by contract shall not in any

841 instance exceed the following parameters of allocation of risk:

842 1. The department may be solely responsible for any loss,
843 injury, or damage to commuter rail passengers, or rail corridor
844 invitees, or trespassers, regardless of circumstances or cause,
845 subject to subparagraphs 2., 3., 4., 5., and 6.

846 2. In the event of a limited covered accident, the
847 authority of the department to protect, defend and indemnify the
848 freight operator for all liability, cost and expense, including
849 punitive or exemplary damages, in excess of the deductible or
850 self-insurance retention fund established under paragraph (b)
851 and actually in force at the time of the limited covered
852 accident exists only if the freight operator agrees, with
853 respect to the limited covered accident, to protect, defend, and
854 indemnify the department for the amount of the deductible or
855 self-insurance retention fund established under paragraph (b)
856 and actually in force at the time of the limited covered
857 accident.

858 3. When only one train is involved in an incident, the
859 department may be solely responsible for any loss, injury, or
860 damage if the train is a department train or other train
861 pursuant to subparagraph 4., but only if when an incident occurs
862 with only a freight train involved, including incidents with
863 trespassers or at grade crossings, the freight rail operator is
864 solely responsible for any loss, injury, or damage, except for
865 commuter rail passengers and rail corridor invitees.

866 4. For the purposes of this subsection, any train involved
867 in an incident that is neither the department's train nor the
868 freight rail operator's train, hereinafter referred to in this

869 subsection as an "other train," may be treated as a department
 870 train, solely for purposes of any allocation of liability
 871 between the department and the freight rail operator only, but
 872 only if the department and the freight rail operator share
 873 responsibility equally as to third parties outside the rail
 874 corridor who incur loss, injury, or damage as a result of any
 875 incident involving both a department train and a freight rail
 876 operator train, and the allocation as between the department and
 877 the freight rail operator, regardless of whether the other train
 878 is treated as a department train, shall remain one-half each as
 879 to third parties outside the rail corridor who incur loss,
 880 injury, or damage as a result of the incident. The involvement
 881 of any other train shall not alter the sharing of equal
 882 responsibility as to third parties outside the rail corridor who
 883 incur loss, injury, or damage as a result of the incident.

884 5. When more than one train is involved in an incident:

885 a. If only a department train and freight rail operator's
 886 train, or only an other train as described in subparagraph 4.
 887 and a freight rail operator's train, are involved in an
 888 incident, the department may be responsible for its property and
 889 all of its people, all commuter rail passengers, rail corridor
 890 invitees, but only if the freight rail operator is responsible
 891 for its property and all of its people, and the department and
 892 the freight rail operator each share one-half responsibility as
 893 to trespassers or third parties outside the rail corridor who
 894 incur loss, injury, or damage as a result of the incident.

895 b. If a department train, a freight rail operator train,
 896 and any other train are involved in an incident, the allocation

897 of liability between the department and the freight rail
 898 operator, regardless of whether the other train is treated as a
 899 department train, shall remain one-half each as to third parties
 900 outside the rail corridor who incur loss, injury, or damage as a
 901 result of the incident; the involvement of any other train shall
 902 not alter the sharing of equal responsibility as to third
 903 parties outside the rail corridor who incur loss, injury, or
 904 damage as a result of the incident; and, if the owner, operator,
 905 or insurer of the other train makes any payment to injured third
 906 parties outside the rail corridor who incur loss, injury, or
 907 damage as a result of the incident, the allocation of credit
 908 between the department and the freight rail operator as to such
 909 payment shall not in any case reduce the freight rail operator's
 910 third-party-sharing allocation of one-half under this paragraph
 911 to less than one-third of the total third party liability.

912 6. Any such contractual duty to protect, defend,
 913 indemnify, and hold harmless such a freight rail operator shall
 914 expressly include a specific cap on the amount of the
 915 contractual duty, which amount shall not exceed \$200 million
 916 without prior legislative approval, and the department to
 917 purchase liability insurance and establish a self-insurance
 918 retention fund in the amount of the specific cap established
 919 under this subparagraph, provided that:

920 a. No such contractual duty shall in any case be effective
 921 nor otherwise extend the department's liability in scope and
 922 effect beyond the contractual liability insurance and self-
 923 insurance retention fund required pursuant to this paragraph;
 924 and

925 b. The freight rail operator's compensation to the
 926 department for future use of the department's rail corridor
 927 shall include a monetary contribution to the cost of such
 928 liability coverage for the sole benefit of the freight rail
 929 operator.

930 (b) Purchase liability insurance, which amount shall not
 931 exceed \$200 million, and establish a self-insurance retention
 932 fund for the purpose of paying the deductible limit established
 933 in the insurance policies it may obtain, including coverage for
 934 the department, any freight rail operator as described in
 935 paragraph (a), commuter rail service providers, governmental
 936 entities, or any ancillary development, which self-insurance
 937 retention fund or deductible shall not exceed \$10 million. The
 938 insureds shall pay a reasonable monetary contribution to the
 939 cost of such liability coverage for the sole benefit of the
 940 insured. Such insurance and self-insurance retention fund may
 941 provide coverage for all damages, including, but not limited to,
 942 compensatory, special, and exemplary, and be maintained to
