REGIONAL PLANNING COUNCIL

RESOLUTION

NETTLES ISLAND COMMUNITY ACTION ASSOCIATION

We, the members of the Nettles Island Community Action Association have approved a resolution on the 9th day of December, 2014 objecting to the AAF routing your high speed train service through the center of the cities of Stuart and Jensen Beach, Florida, hereby destroying the peace and tranquility of the citizens of these cities and destroying the property values of our homes. We urge that the route of these trains be farther west.
